OFFICE OF THE EXECUTIVE ENGINEER (ELECL.), ELECTRICAL DIVISION, CHICKBALLAPUR.

Notification dated, 19th May 1959.

Sealed tenders, in duplicate, duly signed by the Contractors will be received in the Office of the Executive Engineer, Electrical Division, Chickballapur up to 4 P.M. on 10th June 1959 for the work noted below.—

Nome of work	Amount of sanoted est.	work portion.	Earnest Money Deposit.	Period of completion	Minimum monthly progress
1. Constructing Office and Stores Building at Y.N. Hoskote	8,000	7,650	388	6 Months	1,333

1 The tenders will be opened in public at 4 P.M. on 10th June 1959.

2 The Contractor should quote for each individual item of work both in words and figures in the estimate and the rates quoted shall hold good till the works are completed. The rates quoted should include provision for payment of Sales-tax, royalty or any tax due to Mysore State Electricity Board.

3 The tenders will hold good till the acceptance or otherwise by the competent authorities.

4 For lumpsum provision or for non-tendered items, the rates will be paid as per current minimum schedule in case of the scheduled items and rate with 10 per cent of profit for items which do not find place in the Schedule.

5 No conditional clause will be accepted.

6 No cheques will be accepted for Earnest Money and no request for the adjustment of amount due by the Government can be entertained.

7 The tenders will not be considered unless they are in the prescribed forms which will be supplied on payment of 25 nP at the Office of the Executive Engineer, (Elecl), Electrical Division, Chickballapur.

8 The successful Contractor shall bind himself to abide by the departmental rules and in specification in force and shall execute necessary Mutchalika within seven days from the date of intimation of acceptance of his tender, failing which, his tender will be cancelled unconditionally and earnest money will be forfeited.

9 Each tender should be accompanied by a receipt, specified as Earnest Money paid in cash at any Power and Light Office.

10 The final acceptance of the tender will rest with the competent authority. The tender forms and plan will be available for perusal of intending tenderers and any further particulars required can be had at the Office of the undersigned on all working days during Office hours.

11. The department is not bound to accept the lowest or any tender or assign any reason whatsoever for the rejection of any.

12. The cost as per the current rate of cement and steel or value of the controlled rates at the time of execution will be recovered from the bills in case they are supplied departmentally. The materials can be had from the nearest departmental stores. An additional 15 per cent on cost of the material supplied from the department will be charged as centage.

13. Reserve and Earnest money deposit will be repaid only at the time of settlement of final bills.

14. Tendered contractors have to pay compensation to the disabled workmen working under them for any injury or death caused or occured during the execution of work, failing which, the amount will be deducted from the bills and paid to the injured or to the legal heirs of the deceased.

15. The term specification mentioned either in the schedule or in the estimate in the notified items would signify specific item of works to be done according to the instructions of Civil Engineering department with reference to design, calculations etc., furnished during execution and no higher rates than the tendered ones will be paid.

16. The department does not take the responsibility supplying Lorries to the Contractors.

17. Quantities given in the Notification and schedule are approximate and are liable to alterations for which no extra rates will be allowed.

18. Work should not be sub-let.

19. The Contractor should furnish an income-tax and sales-tax clearance certificates along with the tender as per rules.

20. The Contractor will have to make his own arrangements for water required for works, scaffolding, materials, conveyance of materials, approach road to quarries and sand bags and necessary precautions from flood damage. No extra amount will be paid for any of the above items.

21. The Contractor will as far as practicable recruit the personnel required by him through the nearest employment exchange in the region.

22. The contractor should furnish the tender in duplicate only, and should there be any difference in rates between the original and duplicate, the lowest of the two will be considered.

23. Individual rates should be quoted for all itmes. Rates quoted on percentage basis are liable for rejection.

24. Non-compliance of any of the above conditions makes the tenders liable for rejection.

523—I 3 For *Suptdg. Engr.*

OFFICE OF THE EXECUTIVE ENGINEER, UNIVERSITY ENGINEERING DIVISION, CRAWFORD HALL, MYSORE.

Notification dated 15th May 1959.

No. U.E.D 534-59—60. Sealed tenders for running the Teacher's College Canteen at Mysore will be received in the Office of the Executive Engineer, University Engineering Division, Mysore, till 4 P.M. on Wednesday the 15th June 1959.

1 The building known as the Teachers' College Canteen at Mysore will be given by the University on lease for a period of two years from the date of contract.

2. The tenderer should use their own furniture and utensils in the building and when the contract ceases, they should hand over the building to the University in good order.

3 Any damage caused to the building while in the charge of the caterer should be made good by him.

4 The building is fitted with the necessary electric lights and water supply arrangements. Repairs to these should be effected by the caterer at his own expenses. The light and water charges and the taxes imposed by the Municipality should be born by him.

5 No structural alterations should be effected in the canteen.

6 The catering should be of a high order and the materials used in the preparations should be wholesome. The rates at which they are to be sold should be got approved by the Principal, Teachers' College Mysore from time to time.

7 The building shall be used for selling the articles of lunch only and should not be used for dwelling purposes. The sale of Cigarettes, Beedi, Pawnsupari, Fruits, or any other articles except prepared and cooked eatables is prohibited. The sale of beedas is however permissible only to those who take lunch. The visitors will be treated with respect and no room shall be given for complaint.

8 The canteen should be run on sanitary basis and will be subject to supervision of the Principal, Teachers' College Mysore, the Health Department, and the Engineering Division, University of Mysore.

9 Each tenderer should specify in words and figures, the amount that he is prepared to pay to the University annually during the period of contract for the right of running the canteen.

10 Acceptance of the tender rests with the University, who do not bind themselves to accept the highest or any tender or to give any reason whatsoever for the rejection of any tender.

11 Each tender should be accompanied by the Treasury challan for Rs. 100 as earnest deposit paid to the treasury to the credit of the "Mysore University Funds" in favour of the Executive Engineer, University Engineering Division, Mysore. The deposit of the successful tenderer will be returned after the expiry of the lease period.

12 The successful tenderer, on intimation will be required to execute within a week an agreement in the form prescribed specifying the terms of the contract. He should pay the contract amount for one year in advance before he can be allowed possesses of the premises In default of payment or default of his executing the bond within the stipulated time his deposit amount will be for feited.

13 Rent for successive years will be recovered in advance at the commencement of each year. In default the same is recoverable under rules applicable for recovery of arrears of Land Revenue under Revenue Rules of Government.

14 The catering arrangements should be started immediately after the execution of the bond and the canteen should be run to the satisfaction of the University.

15 The right of using the canteen shall not be transferred to without previous permission of the University.

16 After the expiry of the contract period, the contractor shall quit the premises without notice. Three months notice is required on either side, if the contract is to be terminated during the contract period.

17 In no case should the tenderer claim any remission of payment for the period of his contract.
